Name: Loy D Crapo
Title: owner
Business Address: 350 East 300 South
City, State, Zip: Dr 1 Ta, UTah 84624
Phone: 864 2402
- ☐ Please check if any of the above information has changed since previous year.

II. Mining and Reclamation

1. Was the mine active during the past year? Yes ☒ No ☐
2. If active, how much ore or mineral was mined? 5000 worth in Trilobites

3. How much **additional acreage** was disturbed during the past year? a very small area
4. Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.

We have dig approx Hole 50' by 50'. because of The Type of mining. Trilobites Requires a very small area. We use an Excavator To Take off over burden and Trilobite layers are dug by hand Tool.

5. How much acreage was **reclaimed** during the past year? none
6. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.

We are actively dig so we have done no Reclaiming This year. We Try To Keep High wall safe,

7. What is the **total disturbed acreage** at years end? less Than 5 acres
8. Briefly summarize any mining and/or reclamation plans for the upcoming year.

Same as past years

NOTE: Section III., "Additional Information" applies only to large mining operations.

III. Additional Information

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.

IV. Signature Requirement
